January 2024, Vol. 1 Series 24

HAPPY NEW YEAR!!

The City of Bancroft Commission would like to wish everyone a very happy healthy new year.

ATTENTION TEENS!

Do you have interest in helping out your neighbors by babysitting, dog walking, snow shoveling, etc.? The City of Bancroft Directory used to include a very helpful Teen Services section. We would like to include that section again in the new 2024 Directory. If you are a teen, young adult, college student or just a helpful neighbor, please contact clerk Tuthill right away to be listed in the Directory. We would need name and ages to be included in this helpful directory list.

possible, we would like to include email addresses for all residents. Please send an email to clerk@cityofbancroft.org and let us know if your email address may be included in the published directory. Your help is greatly appreciated, and we hope to have this completed before the end of the year!

MAYORS NOTES

The new year has arrived and with it, new opportunities. We recently had trees removed from Bancroft Lane as a continuing effort to keep the Lane beautiful. They will be replaced shortly with new trees. The road work along 22 is making the entrance and the exit from the lane more hazardous so I would ask for patience and caution. I would also suggest that patience will be needed along Herr Lane as well. While I am not sure what she can do, I am letting our Metro Councilwoman know of the traffic issues.

As this new year begins, if you happen to see our policeman during the day, thank him for his work on keeping Bancroft a safe place to live. He does more than we can imagine that helps our community.

POLICE NOTES

From the Chief:

I've had several residents ask me about parking ordinances in Bancroft. One of the most common questions is about whether parking on the street is allowed.

The answer is yes, but with some regulation. For instance, vehicles are not allowed to be parked more than 24 hours in one location. Vehicles must also be parked facing the same direction as traffic flows. Some residents have complained about vehicles being parked on the opposite side of the road from their driveway. While this is not prohibited by ordinance, it can lead to collisions that otherwise may not have occurred. Another complaint I often hear is about vehicles being parked on opposite sides of the road, directly across from one another. This is also not specifically prohibited by ordinance (yet), but does create a situation where vehicles are much more likely to be sideswiped by passing motorists, and can make passage by larger emergency vehicles difficult.

If anyone is interested in reading the ordinances for themselves, they are contained in Chapter 72: Parking Regulations of the Bancroft Code of Ordinances. <https://codelibrary.amlegal.com/codes/bancroft/latest/overview>

HOW CAN WE CONTACT THE POLICE?

For immediate police assistance:

1. Emergency: **Dial 911**
2. Non-emergency police assistance: **Dial 311**

For non-urgent neighborhood concerns:

1. Call our police line at **(502) 263-3663**. Leave a voicemail with your name and phone number. Chief Mudd will call you back when he is on duty.

For your safety, please call 911 or 311 to have police dispatched. If Chief Mudd is working, then they will dispatch him to help you, otherwise, they will dispatch a Metro police officer. Do not personally seek out Chief Mudd to get assistance for an emergency.
