May 2024, Vol. 5 Series 24

IT'S DERBY TIME Y'ALL!

We hope everyone has a safe and enjoyable Derby weekend.

CITY WIDE YARD SALE!

This year's sale will be held on Saturday June 8th from 8 am to 1 pm. This is the same day as Graymoor-Devondale is having its annual yard sale. If you are going to participate, it is recommended that you put up balloons and/or signs at your home. The sale will be advertised on social media.

APRIL SHOWERS... BRINGS MAY FLOWERS!

Wet weather reminders. If you have a sewer grate in front of your house, please keep it clear. Failure to do this can potentially cause big problems when it rains, flooding your neighbors downhill and possibly the roads. Also make sure your gutters are functioning properly and free of debris.

Spring is a great time to get out and walk or jog. If you are out during dusk or dawn hours, be sure to wear reflective clothing. It is a very serious safety issue as it is very difficult to see you and drivers are often distracted. Also drivers please watch out for walkers and joggers as well as children at play.

MAYORS NOTES

As we head into May, I'm sure many are looking forward to hosting Derby parties, Graduation parties and Memorial Day cook-outs with friends and family. If you do, I ask that you remind guests to park appropriately on Bancroft streets. This means parking with the flow of traffic as well as making sure not to block a neighbors driveway. Vehicles should also not park within 30 feet of an intersection. I would also ask that residents and guests alike try not to park vehicles directly across from one another on any street as this makes it difficult for larger vehicles (especially emergency vehicles) to pass by and could result in vehicular damage. Thank you for continuing to help make Bancroft as safe as possible.

POLICE NOTES

From the Chief:

I've been getting complaints about various parking infractions and wanted to remind residents of some of the requirements for parking under our city's Parking and Public Nuisance ordinances (Chapters 72, 91 and 92). Some of these are also required by Louisville Metro ordinance as well.

1- Manner of Parking: Vehicles must be parked with their right-hand side toward and parallel with the curb. This is more about safety than anything else as a vehicle parked facing traffic must generally pull across the oncoming lane in order to proceed, elevating the possibility of an accident.

2- Limitations of Stopping and Parking,: No person shall stop or park a vehicle except when necessary to avoid conflict with other traffic, or in compliance with the directions of a police officer or traffic control device, within thirty (30) feet upon the approach to any stop sign located at the side of the roadway.

3- Parking in Excess of Certain Number of Hours Prohibited: It shall be unlawful for anyone to park in any one place any vehicle on any of the public ways or streets of the city for a period of 24 hours or longer.

4- Parking on Private Property: Any vehicle parked on private property must be on a driveway made of blacktop or concrete. Parking in the grass is not allowed.

5- Placement of Temporary Containers: No person, without prior written permission from the City Commission, shall cause any temporary container, including but not limited to dumpsters, Bagsters, POD's, any temporary facility (such as temporary offices or restrooms), or shipping containers, to be placed,

Thank you as always for keeping our streets as safe as possible.
